## Maintain Our Play Spaces

Community involvement in our play spaces is important. When you visit our parks or recreational spaces let us know if you see trash or maintenance issues.

## Visit Our Parks

The City of Canton works hard to maintain and improve our parks. We are planning many events to bring the community together through play. Our parks and Recreation are the heart of the community involvement and spirit. We are here to serve the community through events and activities designed to bring the community together, inspire physical activity, social growth and create a pride in our city by welcoming you and your input!
