

1. Does the City of Canton accept resumes in lieu of applications?

No, the City of Canton requires that an application be filled out entirely and it may be supplemented with a resume.

2. How long does the City of Canton hold resumes on file?

The City of Canton retains applications in an active file for six months. Then the applications are moved to an inactive file and kept for two (2) years.

3. How can I find out about a job opening with the City of Canton?

The City of Canton will go through their active application file first and then will post any job openings on its website in addition to running an ad in the local newspaper(s).

4. Will I be notified if I apply for a job opening?

No, you will only be notified if you are requested to come in for an interview.
