HOTEL/MOTEL TAX FUND (275)
SUMMARY

The 8% Hotel Motel Tax Fund is used to account for the collection of the City's Hotel Motel taxes as well as the associated disbursements of these funds to various local authorities engaged in economic development and the promotion of tourism, conventions and trade shows.

With the historical increase in the hotel motel tax rate to 8%, expenditure requirements changed as well. Local legislation specified that the 3% increase above 5% must be used for promoting tourism and tourism product development.

For Fiscal Year 2014, consideration has been given to reimbursing the General Fund for expenditures in the 'Marketing and Sepcial Events' function.

WATER AND SEWER FUND (505)
SUMMARY**

Although the projected Fiscal Year 2013 total revenues were still short of budget figures, a conservative use of operating funds as well as limited expenses on capital improvements helped maintain a projected positive variance with the Fiscal Year 2013 Budget. For Fiscal Year 2014 a few capital improvements and upgrades are being budgeted to help mitigate some issues with aging infrastructure.

Due to the need for extensive upgrades and improvements to the City of Canton Wastewater Treatment Plant, an additional rate hike of 4.5% has been implemented with the current budget proposal.
