CITY OF CANTON
HOTEL/MOTEL TAX FUND (275)
SUMMARY

The 8% Hotel Motel Tax Fund is used to account for the collection of the City's Hotel Motel taxes as well as the associated disbursements of these funds to various local authorities engaged in economic development and the promotion of tourism, conventions and trade shows.

With the historical increase in the hotel motel tax rate to 8%, expenditure requirements changed as well. Local legislation specified that the 3% increase above 5% must be used for promoting tourism and tourism product development.

For Fiscal Year 2015, consideration has been given to reimbursing the General Fund for expenditures to promote tourism and economic development.

WATER AND SEWER FUND (505)
SUMMARY**

The Fiscal Year 2014 total revenues are projected to slightly exceed budget figures. Coupled with a conservative use of operating funds as well as limited expenses on capital improvements helped project a positive variance with the Fiscal Year 2014 Budget. For Fiscal Year 2015 a few capital improvements and upgrades are being budgeted to help mitigate some issues with aging infrastructure.

Due to the need for extensive upgrades and improvements to the City of Canton Wastewater Treatment Plant and to maintain the required debt service coverage ratio, a rate increase of 4.5% has been implemented with the current budget proposal.
