

Sgt. Stacy Bailey with the Canton Police Department and Bianca Cummings will be teaching the first set of Canton-Cherokee radKIDS® classes Feb. 20 to Feb. 24 at the G. Cecil Pruett YMCA in Canton.

The radKIDS® program strengthens family, encourages physical fitness, and teaches core safety values to live by through its program. Fun, activity-based programs include lecture, safety drills, muscle memory exercises and dynamic simulation. Through radKIDS® training, children become empowered and learn to replace the fear, confusion, and panic of dangerous situations with confidence, personal safety skills, and self-esteem.
